Thank you all who have been supporting units through [@1team1fight_org](#). Again while on the icy and muddy roads we had an urgent request by a unit and went quickly through the hardware store to purchase essential items for the Soldiers. Then we got back on the road to deliver.

ON FREEDOM AND BEARING THE BURDEN

"Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty." -John F. Kennedy, US President.

Ukraine is paying the price, bearing the burden, meeting the hardship, and opposing the nation who has been America's principal geopolitical foe for the last 78 years, Russia ... Ukraine is a friend in need.

ON SERVING OUR COUNTRY

Serhii, my friend's father, who was just an office worker before the full-scale invasion, is now defending us in the southeast frontline. Brave man!

They have been defending against them for the entirety of the war, though. On a delivery to 3rd Assault Brigade of AZOV, we transferred critical night vision and instructions on how to use them
